
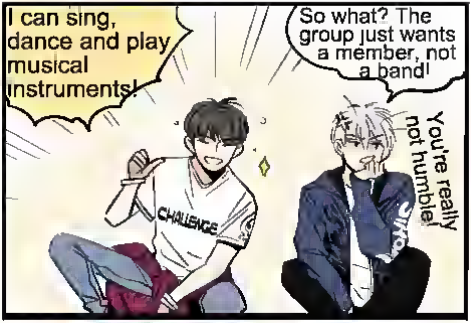
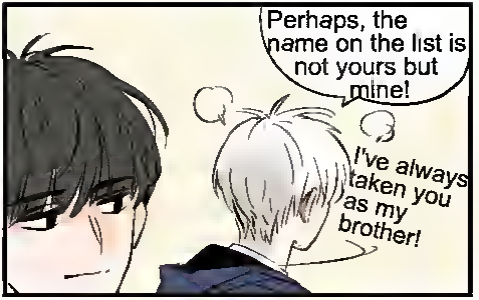
Huff... Guess whose name is on the list?
CHALLENGE

Undoubtedly, mine!
CHALLENGE

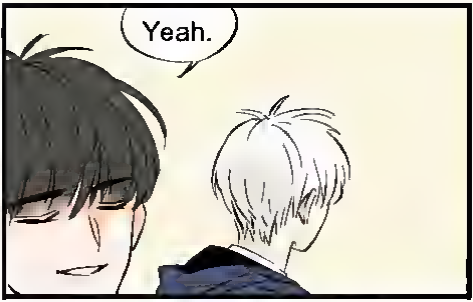


I can sing, dance and play musical instruments!
So what? The group just wants a member, not a band!
You're really not humble!
CHALLENGE

What? It seems that you're unhappy after hearing that.
Humph! You can debut, huh?



Perhaps, the name on the list is not yours but mine!
I've always taken you as my brother!



Yeah.

I always believe that I can debut some day. So I have no other plans for the future except this. But, if I really failed to realize it,
Then I would still have one thing to do.
CHALLENGE

Be an audience and cheer for you!

Off the stage?

Then you'll be quite far from me. How can I find you!

We've always been together ...

Ethan, are you sure? I hear the training is very difficult and few people can debut ...

So? Will you join me?
